Carimali Colonial

The Colonial line combines traditional classic shapes with modern minimalism. Using PVD technology in this **outdoor tapware** enables application of desired coatings, not only giving the item superior color and shine, but ensuring superior protection and durability.

Catellani & Smith Fil de Fer, Medousè F, Syphasera, Syphasfera, More 0, Giulietta BE T

The summer layout of a café in the cloisters of a former Astino monastery features **lamps** by Catellani & Smith: outdoor versions of Fil de Fer and Medousè F floor lamps, with their characteristic spherical shape, nestle between paving stones and lawn, while Syphasera and Syphasfera peek out from the grass. Workers installed More 0 table lamps among tree branches, and placed Giulietta BE T to spread gentle light on the tables.

Carpet Edition Dehor

Dehor is a new **rug** from the In-outdoor collection that blends the refined esthetic elegance of warp and weft in creations suited to both indoor and outdoor environments. Made from polypropylene and viscose, incorporating high-performance, machine-stitched decorations in high-tech braided yarn, it comes in four color variants: Magnetic Silver, Cool Beige, Lava Gray, and Gea Brown.

Damast Afrodite

Damast unveils Afrodite, the new addition to its outdoor range: a **wall-mounted waterfall jet showerhead** crafted in mirror-polished stainless steel plating. Standing some 17 cm tall and 25 cm wide, the imposing showerhead curves approximately 10 cm outward from the wall. The chromed Elegance Kit, comprising a square, recessed mixer with a two-way Q2 diverter, a Pixel single-jet hand shower, and an anti-twist flexible hose, is also included.
